

Pedestrian Doors & Hardware

Fairborn Equipment Specializes in the Repair and Replacement of Metal, Fiberglass and Wood doors and frames. We also offer a full line of hardware and Architectural Products to meet any application. We stock most doors, frames, and hardware so we can get your repairs completed in a timely manner. If you have been using us for your sectional, coiling, or high-speed doors already, please let us know how we can assist with your metal door and hardware needs.
